

FISCAL NOTE

HB 2928 - SB 3050

February 10, 2000

SUMMARY OF BILL: Adds counties having a population of not less than 67,500 nor more than 67,600 (Bradley) and not less than 88,700 nor more than 88,800 (Washington) according to the 1980 or any subsequent federal census to those authorized to establish and impose fees for public records that involve the reproduction of a computer generated map or other geographic data that was developed with public funds and has a commercial value.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Revenues - Not Significant / Permissive

To the extent these local governments choose to establish and collect fees for these records they will experience an increase in revenues which is estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James A. Davenport".
